

MESSAGGIO DEL PRESIDENTE

Hello everyone,

The Club is entering into its 106th year and I'm extremely honored to be elected the next president of the San Francisco Italian Athletic Club (SFIAC). I have big shoes to fill following the leadership of Guido Perego, for the past five years, but I'm ready for the challenge and excited to get started. Our new board of directors has been assembled and committees are already starting to plan for an exciting year at the Club. This is the perfect time to get involved with your Club and join a committee, propose new ideas, and volunteer for upcoming events. For all the new members who have recently joined in the past year, don't forget that you are required to volunteer at an event. It's also a great way to meet fellow members and learn about what we do here at the SFIAC. This year I would like to focus on cultural events, enriching our membership with our beautiful Italian culture, and getting back to our roots. Keep an eye out for new events and activities that we will mix in with our yearly legacy events.

The past two years have been devastating for San Francisco small businesses (and the United States in general). We have seen a change in North Beach that most of us never expected to see—many of our beloved restaurants permanently closing and vacant businesses on every block. Along with that, many of the Bay Area Italian social clubs are suffering greatly (with some of them contemplating closing their doors for good). Due to the strong leadership of our Club board and staff, the SFIAC is thriving and we've come out of the pandemic stronger than ever. You give Italians a basket of lemons and we will make limoncello! Last year we added 130+ new members, we renovated our ballroom while being shut down, and now we have plans to improve many other things. A huge thank you to Nick, Gina, Nico, and staff for all the hard work they have done and continue to do on a daily basis.

Club President Manuele LaTorre and 1st VP Chuck Canepa welcome past President Steve Landi as a Lifetime Member

Ciao a tutti,

Il Club sta entrando nel suo 106° anno e sono estremamente onorato di essere eletto prossimo presidente del San Francisco Italian Athletic Club (SFIAC). Ho grandi scarpe da riempire dopo la guida di Guido Perego, negli ultimi cinque anni, ma sono pronto per la sfida ed entusiasta di iniziare. Il nostro nuovo consiglio di amministrazione è stato riunito e i comitati stanno già iniziando a pianificare un anno entusiasmante al Club. Questo è il momento perfetto per essere coinvolti nel tuo club e unirti a un comitato, proporre nuove idee e fare volontariato per i prossimi eventi. Per tutti i nuovi membri che si sono uniti di recente nell'ultimo anno, non dimenticare che devi fare volontariato a un evento. È anche un ottimo modo per incontrare altri membri e conoscere ciò che facciamo qui allo SFIAC. Quest'anno vorrei concentrarmi sugli eventi culturali, arricchendo i nostri soci con la nostra bella cultura italiana e tornando alle nostre radici. Tieni d'occhio i nuovi eventi e le attività che mescoleremo ai nostri eventi storici annuali.

Gli ultimi due anni sono stati devastanti per le piccole imprese di San Francisco (e per gli Stati Uniti in generale). Abbiamo assistito a un cambiamento a North Beach che la maggior parte di noi non si sarebbe mai aspettata di vedere: molti dei nostri amati ristoranti chiudono permanentemente e attività commerciali vacanti in ogni isolato. Insieme a questo, molti dei club sociali italiani della Bay Area stanno soffrendo molto (con alcuni di loro che pensano di chiudere i battenti per sempre). Grazie alla forte leadership del consiglio di amministrazione e del personale del nostro club, lo SFIAC sta prosperando e siamo usciti dalla pandemia più forti che mai. Tu dai agli italiani un cesto di limoni e noi faremo il limoncello! L'anno scorso abbiamo aggiunto oltre 130 nuovi membri, abbiamo rinnovato la nostra sala da ballo mentre veniva chiusa e ora abbiamo in programma di migliorare molte altre cose. Un enorme grazie a Nick, Gina, Nico e allo staff per tutto il duro lavoro che hanno svolto e continuano a fare quotidianamente.

MESSAGGIO DEL PRESIDENTE, CONT. FROM PAGE 1

Lastly, I want to thank all the past presidents going back to Amadeo Tommasini, for laying the groundwork and solidifying our base as the heartbeat of North Beach and the Italian community. Our Club would have never reached 106 years of existence without the leadership of these great men. Now, it is our job to take the Club into the next 100 years.

Grazie mille, fratelli!

Sempre avanti,
 Manuele La Torre
 SFIAC president

Infine, voglio ringraziare tutti i past presidenti tornando ad Amadeo Tommasini, per aver gettato le basi e consolidato la nostra base come cuore pulsante di North Beach e della comunità italiana. Il nostro Club non avrebbe mai raggiunto i 106 anni di esistenza senza la guida di questi grandi uomini. Ora, è nostro compito portare il Club nei prossimi 100 anni.

Grazie mille, fratelli!

Sempre avanti,
 Manuele La Torre
 SFIAC president

JOIN THE SFIAC

It is the Club's goal to promote Italian culture and to bring in new members so that the SFIAC can continue to be the premier Italian men's club in the Bay Area for another 100 years and beyond.

The Membership committee wants to make the process of bringing new members into the Club as easy as possible. Here is all you need to do: Visit www.sfiac.org > Membership or scan the code, below, to get started.

The Membership committee has been hard at work on the application process and ideas to make the Club better for you. And if you see new faces at the Club, don't be afraid to introduce yourself, learn about the new member, and continue to spread Italian heritage to your fellow paisanos.

Do you need to be 100% Italian to join?

No, we just need to see that you have Italian heritage on at least one side of your family.

Do you need to have an Italian last name?

No, we have plenty of members whose Italian heritage comes from their mother's side.

Do you need to live in North Beach to join?

No, you can join regardless of where you live. Members who live more than 50 miles from the Club can opt to be Associate members.

How can I show my Italian heritage to join?

If you don't have an Italian last name, usually you can show it on a birth certificate or baptismal certificate. The membership team can help advise on what you should do if that will not work for you.

Do you need to personally know a member of the Club to join?

The application requires you to have a sponsor who is a Regular or Lifetime member. You will also need to have the names of **two other Club members** to put on your application. The membership team can help you get this done.

I let my membership expire. May I re-join?

Yes, we always welcome back previous members who left in good standing. Please contact the Membership team committee to get your application back on track to re-join.

How do I get an application to join?

You can start at our website www.sfiac.org > Membership

Am I eligible to join?

You don't know until you ask. You can start at our website www.sfiac.org > Membership

Do I need to be an athlete to join?

You do not need to be an athlete to join.

New Members

In December, we welcomed a record sixteen new members from near and far. Lifetime member Dominic Spinetta can finally stop buying that "guest" stag ticket for his son David. After years of threatening to, Paul Tonelli has joined the Club to join family members and his many close friends. Our revitalized and organized membership committee is doing an amazing job.

Now is the time to introduce your family and friends to the Club. Club tours are given before each stag. Scan the QR code and enter your contact information to sign up.

If you joined in 2021 and did not receive a Club polo shirt, we now have all sizes in stock. Please contact gina@SFIAC.org to arrange pick-up.

Gino Assereto and Dominic Spinetta welcome David Spinetta as a new member of the Club.

**MESSAGE FROM
CHIEF OPERATING OFFICER**

January was a month of recovery after a blockbuster Q4 - although it filled up quickly with planning, organizing, and maintenance projects to prepare for in 2022. The new windows on the second floor, highlighted in this edition, are the most visible change; but other projects included skylight pane replacement, sheetrock repairs, and duct work. The facility is ready for a big year.

I was fortunate to travel to Italy right before the holidays and the SFIAC was well represented. Four Club members and I met with the mayor of Palermo, Leoluca Orlando, and I was proud to wear our pin and share with him all the good works both accomplished and planned. A visit to the towns of Porticello and Bagheria were a highlight of the trip, if only to share pictures upon my return with Lifetime members born in these cities, and revel in the delight of their reactions and disbelief. I would never have traveled to these towns without hearing their stories at the Club and this very connection reinforced, for me, the enrichment provided by the SFIAC. Pictures were not the only thing I brought back from Italy. A Sicilian pistacchio pasta sauce has now been added to the menu as well as Roman style pinsa. Rome during Christmas should be on your bucket list as the Eternal City is decorated with lights on every street and a tree in every piazza. A rooftop drink was shared with even more SFIAC members who were traveling at the same time. The only thing we were missing was Romano to make our Negronis!

Nine double-paned windows and a floor-to-ceiling sliding door were recently installed in the members' lounge. The Marvin Ultimate Collection windows and slider are top of the line and were generously subsidized by member Vic Scafani at San Francisco Window and Door. The custom windows are stained to match the new look of both the interior and exterior paint schemes. They were delicately installed by members

Giovanni and Nic Altamura - saving as much trim as they could, while replacing rotted framing and weatherproofing. Please thank these members for their contributions to the Club the next time you see them.

SEEKING DONATIONS FOR THE MONTHLY STAG RAFFLE - SUPPORT YOUR CLUB AND MARKET YOUR BUSINESS

As you know, the monthly stag raffle generates money to be used for important expenses that enhance the member experience or Club activities that are not included in the budget. Examples might include updating exercise equipment in the gym or using funds to sponsor some of our sports activities. So, in an effort to better support our members (and to provide more exciting prizes) we are offering business owners the opportunity

to donate monthly raffle items that either showcase their business or are sponsored by a given member. For example, a CPA or attorney might donate a \$200 discount for their services. Another idea might be a gift certificate to a local restaurant (or other fun event) that is sponsored by a business owner or member. Step up and contact Tom Banducci at tom.banducci@sfiac.org to ask questions or to donate.

SFIAC Foundation Report

Dear members of the San Francisco Italian Athletic Club,

As previously reported the Club's Foundation Board of Directors, along with the President of the IABA, the President and First Vice President of the SFIAC, and the CEO of the Event Center have been meeting weekly for the last several months to formulate a three to five year strategic plan. Along the way, the Foundation invited a number of Club members and other individuals who have demonstrated a commitment and a keen interest in supporting the Club Foundation's Mission, Vision, and Values and a Strategic Plan built around Four Pillars:

Strategic Pillar #1: Revitalizing North Beach

Strategic Pillar #2: Promoting all Things Italian

Strategic Pillar #3: Support for the Club's Strategic Plan which is focusing on paying attention to the needs of Club members and doing everything Club leadership can do to provide a quality experience for the members who are the principal ambassadors of the Club's Foundation.

Strategic Pillar #4: The Club's Foundation is a 501 c3, a Public Benefit Corporation that can raise money (tax deductible contributions) and awareness to carry out the Club Foundation's Mission and Vision. It becomes the Fundraising Arm for the Club and IABA. It carries out the good works of the Club

As we work to finalize our plan, we continue to champion our two marquee events. On May 16, we will host the Sixth Annual High School Athletic Awards Banquet. This event celebrates the best student athletes of San Francisco and recognizes excellence in coaching. The event contributes to San Francisco High School Sports, including the AAA and Dante's Boys Foundation. We are currently seeking sponsors for this event and your contributions are tax deductible. Donors will be recognized in advertising and at the event. Please contact event chair Foundation Vice President, Randy Bessolo randy.bessolo@sfiacfoundation.org for further information.

The 101st Statuto Race will be held on June 5. After the great success of our 100th celebration, we look forward to carrying on the tradition during its regularly scheduled month. Please consider sponsoring the event with a cash donation, sponsorship or give away. See statutorace.com for full sponsorship opportunities. The race is chaired by Jim Anderson jim.anderson@sfiac.org and Steve Caporelli steve.caporelli@sfiac.org please contact them for details.

It's not too late to contribute to the Foundation's strategic plan as we are in the final stages. Within the next few weeks the Foundation will meet with key neighborhood organizations for their input and to gather their interest in working with the Club and its Foundation to execute its Strategic Plan.
